

P-224

Personnel Accountability

P-224.1 PURPOSE & SCOPE

The purpose of this policy is to provide a standardized system that is utilized by all fire agencies to track the location, movement and identity of firefighters and companies assigned to a full alarm response or greater. The Personnel Accountability System gives the Incident Commander a fast and efficient means to account for fire/rescue personnel, their assignment, and their status at the scene of an emergency.

P-224.2 POLICY

It is the policy of the San Mateo County Fire Chiefs that all companies dispatched on a full assignment or higher will utilize the approved Personnel Accountability System described in this policy.
